

Our School Standards

We are immensely proud of all our pupils. The results achieved at the end of year 6 are a result of 7 years hard work by the whole teaching team, the children and their families.

These tables show the percentage of Year 6 pupils achieving each outcome in 2023, compared to national end of Key Stage 2 Teacher Assessment Levels and Test Results for 2023.

The green cells show where the school significantly outperformed other schools nationally.

Please note that these performance measures reflect the academic year 2022-2023.
