# Starting a new school?

**Your child will be learning and playing with more children when they start their new school and could be at risk of catching preventable diseases if they haven't had all their childhood jabs.**

- ✓ Buy uniform
  - ✓ Get school shoes
  - ✓ Check pre-school jabs are up to date
- Pre-school jabs include:
- ✓ 2nd dose of MMR
  - ✓ 4 in 1 Pre-school booster

If you are not sure if your child has had all their routine vaccinations, check their personal health record (Red Book) or contact the GP surgery.

To get the best protection for your child, they need to have had two doses of MMR vaccine. For a checklist of the vaccines and the ages at which they should ideally be given visit [www.nhs.uk/vaccinations](http://www.nhs.uk/vaccinations)
