

IN OUR CHURCH SCHOOL

...God give us
hope

...our church
family loves us

...we lead each
other in prayer

...we have space
to be spiritual

...we learn from
the Bible

...we ask the big
questions

...we have faith in
God to guide us

...we change the
world with kindness

...we respect each
others' right to believe

...God teaches us to
love ourselves

...we have faith in
God

...we learn to love
one another
