

Limited Sessions Available for 2026/27!

Now that the new academic year is underway, we have limited sessions available across both settings, in particular Team Nest.

For **Team Nest**, we currently only have spaces available for Wednesday - Friday, plus Breakfast Club and After School Club. In **Team Wild**, we currently have sessions across the week but these are becoming limited and will soon reach capacity.

If you are considering increasing or amending your child's sessions for this academic year, please contact hen@hordleprimary.co.uk at your soonest convenience to check availability. Please note, our nursery tours will be starting in October and so current availability will be subject to change.

For our Team Nest families, we kindly ask that you advise us as far in advance as possible if you wish to increase/amend hours for 2027/28 so that we can ensure your required sessions are confirmed and secured in advance for you.

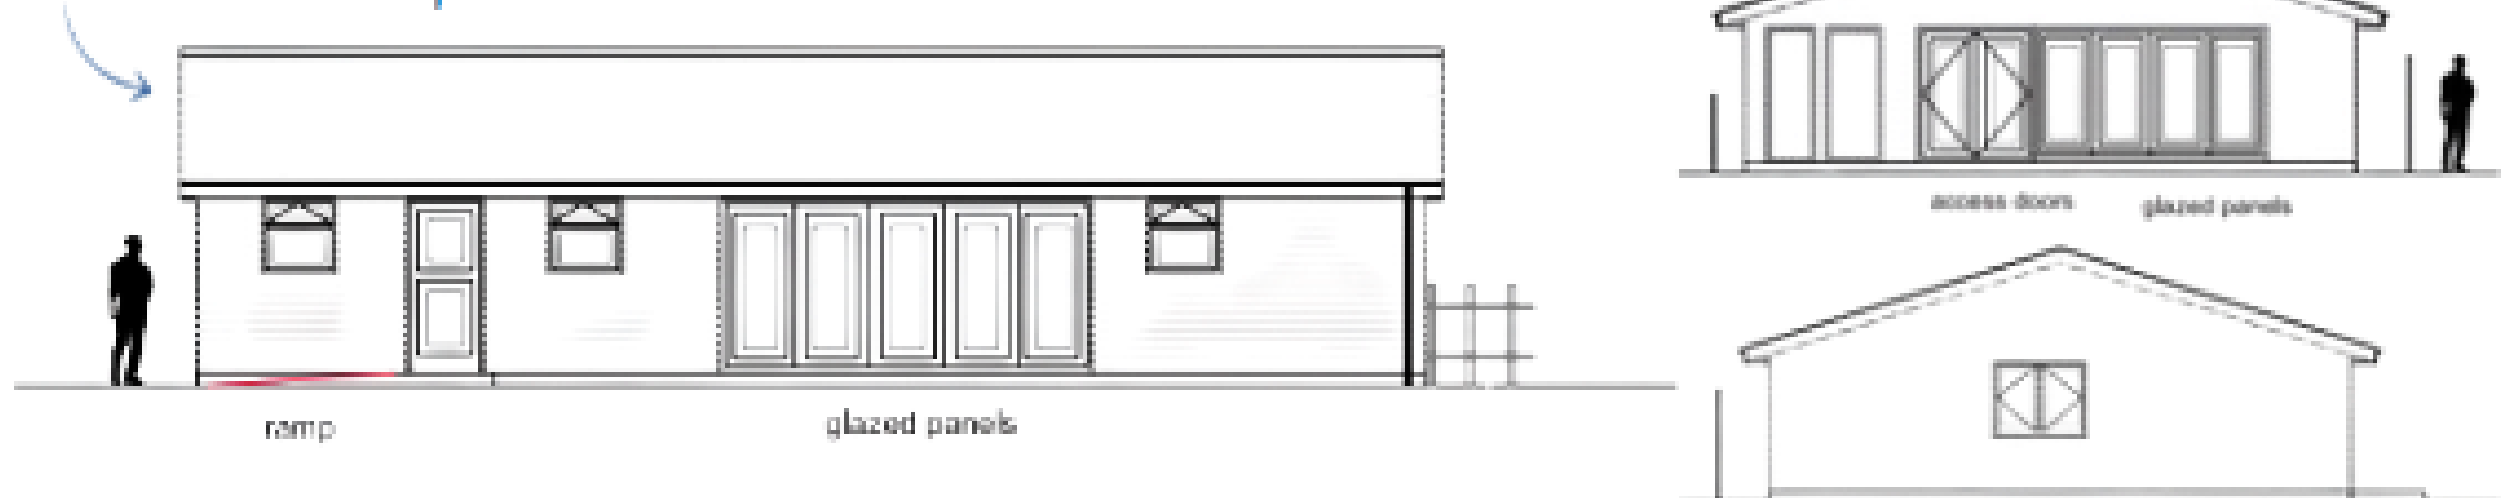

Thank you all for your cooperation.

Hordle Explorers Nursery Update!

Coming April 2027...

OUR NEW NURSERY BUILD!

The architects plans!

We're delighted to share some exciting news from Hordle Explorers Nursery.

Thanks to funding from the Department for Education's School-based Nurseries Grant, administered by Hampshire County Council, we're expanding and investing in the future of our nursery community. In case you missed it, please click [HERE](#) to see our recent Facebook update!

We look forward to seeing you there.

Attendance Guidance

Please can we remind parents/guardians of our school and nursery absence procedures:

- Contact us as soon as possible (and before 9:30am at the latest) on the first day of absence; telephone (via the schools absence line), email or visit the school office
- Advise us on the nature of your child's absence. (Please note that in the event of sickness and/or diarrhea, the exclusion period is 48 hours since the last bout of illness).
- Update the school daily on subsequent days of absence unless advised otherwise
- If you are going on holiday, to please inform us of your absence dates in advance, confirming date of return.

If your child is absent and we have not heard from you by 9.30am, we will contact you as we have a safeguarding duty to ensure your child's safety as well as their regular nursery attendance. A child not attending nursery is considered a safeguarding matter (this is why information about the cause of any absence is always required).

Media Permissions on Arbor

Thank you to the families who have kindly updated their child's media permissions on Arbor.

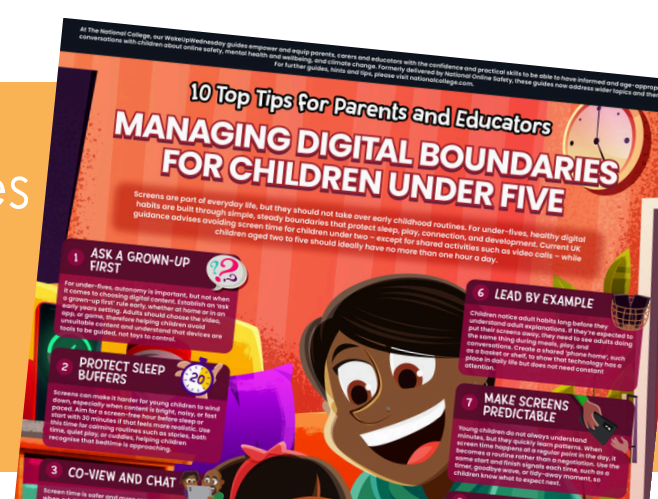

Arbor

For continuity across both school and nursery, we kindly ask all parents to confirm media consents on their child's Arbor profile.

Whilst we know you have already provided your consents at registration, we wish to ensure there is no room for error/confusion and for all media permissions to be in one place for both nursery and school children.

E-Safety
