

Friday 28th November

Dear Parent/Guardian,

Year 6 is an important year for primary school children, as they will be taking their SATs in May next year. In order to help you and your child prepare for these statutory exams, we are sending home some 'SATs packs' and will be holding a SATs information meeting, which we encourage you to attend.

SATs packs

Your child will be coming home with a 'SATs pack' this week, which includes some helpful resources and sample SATs papers for you to discuss and complete with your child. The children have been asked to work through them at their own pace and bring them back to school after February half term at the latest.

★When children bring back their completed papers, they will be celebrated by Miss Trim.★

SATs information meeting

We will be holding an information meeting at **2:45 on 14th January** in the Acorn room. We recommend that you come to the meeting if you can, to hear about these important tests and how we can work together to ensure the children feel confident and prepared.

Please complete [this form](#) to confirm whether or not you will be attending.

The slides will also be sent out for those unable to make it.

Key dates

The SATs will take place from **Monday 11th May to Thursday 14th May**. All children need to be in school on these dates.

Revision guides

Revision guides can be purchased from the school. Please see the separate letter.

Kind regards
The Upper Junior Team
