

Friday 3rd July 2026

Dear Parents /Guardians

Year 6 Leavers' Service

We are delighted to announce that we are holding a special leavers' service in the church this year, which parents and guardians are invited to attend. We respectfully ask you to keep numbers to **two adults per child/household**, so that we can fit everybody in the church. This will take place on **Monday 20th July at 9:30 am**. You will be able to enter through the main entrance to the church at 9:30am. We expect the service to last around an hour.

Year 6 Reward Activities - Tuesday 21st July

Back by popular demand, we are very excited to be holding a den building event on the school field to reward the children's behaviour over the last half term. Children will take part throughout the morning (and will enjoy the talent show later in the afternoon). This is a mufti day for year 6 only.

Den building	Children are allowed to bring equipment from home to build their den. This could include: • a pop up tent (not one that needs assembling) • den building kit • blankets • pegs • sticks • wind break Children are also invited to bring: • Small card games or other games that could be played in a den (no electronics) • A small packet of sweets or snack (no nuts) - enough for one person It is important that children are able to carry their own equipment, so please ensure they only bring one or two items. The school will not be held responsible for any lost or broken items, so please do not send anything valuable.
--------------	---

We also have a fun-filled wet weather plan, just in case it rains. If den building equipment is not required, we will contact you the day before. Let's keep our fingers crossed for sunshine!

Carrier bags

As we near the end of the year, we are starting to collect the children's books and other belongings together ready to go home. Please could each child bring a named, strong carrier bag to school on or before Monday 20th July. If you are able to spare a few bags, this would be greatly appreciated as this will ensure everyone has one.

Many thanks,

The Upper Junior Team
