Dear Parent/Guardian,

Home Farm, Countryside Education Trust, Beaulieu

As part of our 'Growing' topic in the Summer term, the Year R children will have the exciting opportunity to visit a local, working farm. This will be a chance for them to develop their understanding of the different types of farms followed by a farm tour. During the tour, the children will get to feed the animals and be encouraged to ask any questions they may have. After this, they will visit the garden for some seasonal gardening activities. We are hoping that the weather will be much improved by then and we can have our lunch on the outside playing field at the venue.
