Dear Parent/Guardian,

Hordle CE VA Primary is pleased to inform you that all pupils have access to Sora, a virtual library where they can borrow eBooks, audiobooks, comics and magazines to read and listen to at home or at school.

It is a great resource and provides another way for the children to access books to read. Research has shown that reluctant readers find eBooks an attractive format to use.

This online library is provided by Hampshire School Library Service and can be accessed by any internet enabled device with a web browser or via an app on mobile devices, such as a phone or tablet.

All SLS eBooks, audiobooks, comics and magazines are age restricted into categories to ensure only the appropriate content can be viewed. On the app pupils will only be able to borrow the books appropriate to their age range.
