

That they may have life; life in all its fullness - John 10:10

Hordle CE (VA) Primary School & Nursery

11th September 2026

Pageticker

Dear Parent/Guardian,

Today you should have received an invite via email to join an app called Pageticker. Pageticker will replace the paper reading challenges. Children are expected to read 4x per week as before, but reading will now be logged online and shared instantly with the school.

What is Pageticker?

Pageticker is a digital reading record that replaces traditional paper reading diaries for schools, parents/guardians, and children.

How does it work?

Families use a free mobile app to log reading sessions in seconds by scanning book barcodes, tracking progress, and viewing custom reading goals.

What are the advantages?

- **Instant Logging:** Parents use the app to scan book barcodes and log reading sessions in seconds.
- **Better Home-School Connection:** Links directly to the classroom so comments, tricky words, and book reviews are instantly shared with teachers.
- **100% Free & Safe:** The family app features zero advertisements and no hidden in-app purchases.
- **Multi-Device Syncing:** Supports logging for multiple children and shares accounts across all family devices seamlessly.
- **Gamified Motivation:** Encourages reading-for-pleasure through digital milestone badges, custom goals, and target reminders.
- **Visual Bookshelf:** Displays real book covers in-app to build a beautiful visual archive of every book they have ever read.
- **Smart Discovery:** Generates personalised book suggestions based on the child's reading level, history, and individual interests.

Next Steps – ACTION REQUIRED

Please download the app and set up your account by **Friday 18th September**. If you have any questions or require technical support with setting up the app, please talk to your child's class teacher.

Developing a lifelong love of reading for pleasure is one of the most powerful things we can do for our children's future success and wellbeing, and we appreciate your ongoing support.
