

September 2026

Dear Parents / Guardians,

Entry Point - When and what?

In order to launch our autumn term topic: Towers, Tunnels and Turrets, we are delighted to announce that we will be hosting an entry point day for the children on **Friday 25th September 2026**.

What your child will need:

For this day, your child is invited to attend school dressed as someone who would live or would have lived in a castle. A suggested costume would be making your own crown to be a royal, making a shield to be a knight, or wearing a fancy dress costume. We do not want dressing up to be a burden to families and would reiterate that it is not necessary for families to buy special outfits for the day - it's just a little bit of fun! If your child does not want to dress up, they do not have to.

Kind regards,

The KS1 Team
