

That they may have life; life in all its fullness - John 10:10

Hordle CE (VA) Primary School – Home/School Agreement

At Hordle CE (VA) Primary School, we are proud to be a Church of England school where our Christian vision to *“live life, life in all its fullness”* underpins everything we do.

We are committed to providing a safe, respectful, and nurturing learning environment where every child is given the opportunity to thrive—developing as a lifelong learner with strong personal values, open and enquiring minds, and the confidence to become a global citizen of the future.

This Home/School Agreement outlines the essential partnership between the school, parents/guardians, and pupils. Working together, we aim to realise the full potential of every child.

Please can all parents read and share with your child (if they are in Y3-6) and complete the relevant form/s below to confirm that it has been read by Friday 2nd October 2026.

Working Together to Realise Our Potential

At Hordle, we are firmly committed to:

- The learning, progress, and personal development of each individual, recognising their unique abilities and gifts
- The celebration of individual achievement and success
- A shared joy and excitement in learning and its challenges, fostering a lifelong love of learning
- Caring for each other and respecting everyone’s need to feel valued, happy, and secure
- Supporting the development of self-esteem and personal responsibility
- Promoting understanding of the ever-changing needs of our world
- Ensuring that the beliefs and values of the Christian faith underpin all that we do

That they may have life; life in all its fullness - John 10:10

A Shared Commitment

This document forms the basis of a shared agreement between the school, parents/guardians, and the child. It reflects our mutual responsibilities and the values we hold dear as we work together to support each child's journey.

When you receive your copy, please:

- Read it carefully
- **Parent/Guardian** - please complete [this form](#) to confirm that the agreement has been read and discussed with your child. Please submit 1 form per child.
- **Year 3 - Year 6 children ONLY** - please complete [this form](#) to confirm that the agreement has been read and discussed with your family
- Keep a copy at home as a reminder of our shared responsibilities and aspirations

That they may have life; life in all its fullness - John 10:10

AS A SCHOOL WE WILL:

- Aspire for all children to live life in all its fullness during their time at Hordle CE Primary School and beyond
- Provide a welcoming, safe and nurturing environment, rooted in the Christian values of teamship, aspiration, identity and learning
- Teach your child six superhero learning values - habits of mind - which will equip your child with the values they need to become lifelong learners: Resilience, Risktaking, Responsibility, Sense of Humour, Motivation, and Teamship
- Offer a broad, balanced and inclusive curriculum that challenges and inspires every pupil
- Offer high quality teaching and learning in all aspects of the curriculum
- Ensure children are taught the importance of keeping safe in all areas of life, including online and in their relationships with others
- Maintain high expectations for behaviour, attendance, and academic achievement.
- Foster a sense of belonging and connectedness, enabling children to feel secure in their strengths and comfortable in expressing themselves
- Provide a healthy, safe, secure and stimulating learning environment
- Communicate clearly and regularly with parents/carers about their child's progress, wellbeing, and any concerns.
- Support home learning and provide regular homework in line with the homework policy.
- Encourage open and respectful communication between home and school.
- Provide access to technology through Google for Education, to enhance learning and ensure pupils are appropriately prepared for a digital future
- Treat all members of our school community with kindness, fairness, and respect

That they may have life; life in all its fullness - John 10:10

AS A PARENT/GUARDIAN I WILL:

- Support the values (Teamship, Aspiration, Identity and Learning), ethos, and practices of the school.
- Ensure my child attends school regularly and on time
- Ensure my child wears appropriate full school uniform, including predominantly black trainers
- **Ensure my child reads at least four times a week, either independently or with an adult and record this on Pageticker, the Reading Record app**
- Support my child with their homework and other home learning activities
- Communicate with all school staff in a respectful and constructive manner
- Raise any concerns or issues **promptly** with the school, via the appropriate channels (via the School Office) and work with the school to find resolutions
- Share any information regarding matters which may affect my child's wellbeing e.g. changes to home circumstances, family members health matters etc
- Engage positively in all school communications, including email, newsletters, and Facebook.
- Use social media responsibly and model appropriate online behaviour, refraining from making negative or inappropriate comments about the school or members of its community.
- Support the school's expectations for pupil behaviour.
- Set age-appropriate boundaries for my child's access to online resources (including gaming, online content and apps)
- We promote a smart-phone free childhood that protects children's wellbeing, focus, and social development. However, we recognise that some families may feel a mobile phone is necessary for safe travel to and from school. In these cases, children in Year 5 or 6 may bring a phone (ideally smart-free) solely for their journey, but it must be switched off and handed in to the school office as soon as they arrive. Phones will be kept safe until home time, when they should be collected by the child. The school site is strictly phone-free and therefore any devices collected from the school office at the end of the day must be placed in school bags until the child leaves the school site.
Children in Year R - Year 4 are not permitted to bring phones in to school.
- Support the school's access to digital learning: I understand Hordle CE Primary School uses the Google for Education platform for all pupils

All members of the Hordle school staff team are entitled to dignity and respect at work and therefore permission is not granted to record conversations or meetings at any time.

That they may have life; life in all its fullness - John 10:10

AS A PUPIL I WILL:

- Follow the school's values of Teamship, Aspiration, Identity and Learning
- Aspire to use the learning superheroes to support me in my approach to all aspects of life in school e.g. showing resilience, taking risks, being responsible, staying motivated, becoming a positive team member and using an appropriate sense of humour when things go wrong.
- Treat others with kindness, honesty, and respect.
- Follow the school rules, READY, RESPECTFUL, SAFE, and behave in a way that helps everyone learn and feel safe.
- Actively engage in the Reading Challenge, reading at least four times a week and handing in my reading journal every day.
- Complete my homework each week and hand it in on time
- Wear my school uniform with pride and take responsibility for my belongings.
- Take part in collective worship and school activities respectfully and thoughtfully.
- Use school technology responsibly and only for learning purposes.
- Keep myself safe when I am online
- Year 5+ only - I understand that if I need to bring a mobile phone to school, it must be handed in to the school office and should not be used at all whilst on the school site.
- Tell an adult if I am worried, upset, or need help or if there is something important that has happened that I think they should know.
